From Our Executive Director-Glenn Skinner

The NCFA would like to congratulate Martin Posey, Robert McNeil and Sam Romano on their appointment to the North Carolina Marine Fisheries Commission.

We would also like to thank Governor Cooper and his administration for their continued commitment to appointing a fair and balanced Marine Fisheries Commission.

The NCFA will be hold a meeting Thursday, August 15 from 3-6pm at the Fairfield Inn & Suites by Marriott located at 2090 W.15th Street, Washington, NC to discuss the proposed changes to the Southern Flounder FMP. We will be discussing the proposed management options that are still on the table in hopes of getting a consensus of what industry prefers out of the limited options we have to work with. This issue is very **important** and we encourage everyone involved in the Flounder fishery to attend.
