### **SHRIMP PETITION MEETING DATE TENTATIVELY SET:**

A joint meeting of several advisory committees of the Marine Fisheries Commission has been set for Tuesday, January 17<sup>th</sup> in New Bern at the Riverfront Convention Center. **THIS WILL BE A VERY IMPORTANT MEETING!**

The subject of this may be to take comment on the recently filed Petition for Rulemaking by the North Carolina Wildlife Federation regarding severe restrictions on shrimping, but as far as we're concerned, this is a referendum on the future of commercial fishing in North Carolina!

Put this date on your calendar! Set aside the whole day for it! We'll advise when we get word of the time the meeting will begin.

### **SOUTHERN FLOUNDER LAWSUIT:**

We would like to thank all of you who have donated to the Southern Flounder Fund so far. We will send a special update out soon listing those who have contributed to the fund.

As noted previously, we have had two hearings on our lawsuit on southern flounder before two judges. Both judges ruled in our favor. However, it's not over! There will be a hearing at some point and we need to be prepared!

Whether you are a commercial fisherman, dealer, or recreational fisherman, if you are pleased that we took this legal action and your season did not close on October 16<sup>th</sup> as the MFC planned, we need your help!

Checks can be made payable to:

NCFA Southern Flounder Fund  
2807 Neuse Blvd.; Suite 11  
New Bern, NC 28562
