PORT A PIT UPDATE

Our **PORT A PIT** Fundraiser was a huge success. Thank you to those who jumped in early that morning and helped package around 250 to go meals. Thank you to those who helped deliver all of those to go meals and delivered them on time. Thank you to all of those who provided desserts; they were greatly appreciated! And thank you to all of those who purchased tickets and supported the Youth Ministry. We thank you all for helping make youth ministry happen. When it's all said and done, it looks like we made a profit of between \$2600.00—\$2700.00! That's an excellent day of serving!

THE COLLEGE MISSION TRIP WAS AMAZING!

Our 2023 College Mission Trip is in the books and what a great trip it was. We accomplished all that was set before us and did it with a smile. The College Crew built modules that included two roof lines, two partitions, one with a door included and the other with a window included and cut wood to build a deck with steps and a ramp. We built and prepared these for Teameffort's Staff Training week. In addition to building modules, we help fold, divide, count and roll up over 3000 t-shirts to be delivered to the camps up and down the east coast. This crew is a very hard working group of folks that does not mind getting their hands dirty and jumping at an opportunity to serve. Thank you for always being willing to make a difference to others.
