

CHURCH BUILDING HOURS

The church office is open daily Monday through Friday from 8:30 A.M. to 3:00 P.M. (except for major holidays or vacation times). Sharon will be completing her physical therapy by the end of September so she may be absent for an hour at varying times on Mondays, Wednesday, and Fridays in September.

The church building will be unlocked from Monday through Saturday from 8:30 A.M. to 3:00 P.M. and in the evenings when there are meetings in the church building. The church also will be open Sunday mornings for the Sunday church services. Anyone needing to get into the church building other than the above times, should call the church office (610-767-6361) to make arrangements.

When Sharon is alone in the office, the church doors, including the brown doors by the office, will be locked. There is a door bell outside the brown doors that you may ring to gain access to the building.

THANK YOU NOTES

(continued)

Dear St. John's,

You probably don't remember me, but I grew up in Slatington and was a member of St. John's.

I felt the Lord wanted me to send you a THANK YOU NOTE. I want to thank you for your love for the Lord and for your witness to the Gospel of Jesus Christ.

Thank you for your support, encouragement, care, and love for me as a young teenager to enter into the ministry. Pastor Lauchnor and you witness to me and encouraged me to go into the ministry. THANK YOU. I celebrated my 60th anniversary last year.

The years have been great years and I am greatly indebted to you. I am still in the active ministry at Grace Evangelical Lutheran Church on the campus of the Lutheran Home at Topton where I am a resident. Muriel (who entered into eternal life on July 22, 2018) and I have been a resident at the Lutheran Home at Topton for 22 years.

I pray the Lord will continue to bless you and enable you to continue to be a witness for Jesus Christ forever in Slatington and the wider community.

Sincerely,
Rev. Carl R. Schmoyer

Dear Members of St. John's,

Thank you all for the cards, phone calls, rides, and prayers during my recent knee replacement surgery on my right knee and now the subsequent manipulation of the right knee that was done this week. Your kindness to me through all the medical problems that keep popping up is greatly appreciated.

Thank you,
Sharon Stehly

Dear Members of St. John's,

It seems like it could have been just yesterday that the moving vans were at our front door, the stream of boxes just seemed to never stop, and Brian Geiger was helping me unpack the grandfather's clock my father-in-law had made Russell and I for our wedding gift. It was on that warm, August day that I began my life here in Slatington. I was filled with excitement and trepidation, as Russell was still in the Bronx finishing his ministry there, and I had a second grader and fifth grader in tow. But then, as Brian left he said words that I have never forgotten and certainly helped to ease my mind a bit, "If you need anything, just remember that my phone number is the same as yours except for the last number, and feel free to call for any reason." And with that I breathed a sigh of relief, I had made my first friend!

Soon thereafter, I began to make many more friends, and you all became our St. John's family. The people we could pray with and for. The people we would share our joys and our sorrows with. The people who would watch our children grow and who would listen to our woes as they went through the rights of passage from childhood to adulthood called teenagers. The people we took our strength from, and hopefully gave a little back.

Fast forward from that first day, which seems only like yesterday, and I now sit here writing this letter of thanksgiving as tears stream down my face. This has been a wonderfully amazing place to be! There was no need for trepidation nineteen years ago, because you were all so welcoming. You opened your arms and your hearts and let me and my family in, allowing each of us to grow in our own ways. For me, I became a teacher right here in this community! God blessed me with awesome students over the years, many of whom I will never forget. Through the multitude of volunteers each summer, I was able to find my way to feed the children (a passion of mine) and coordinate the Breakfast Bunch for nine years. And most importantly, we were able to raise two terrific kids and have had a home to welcome the ever-expanding family. Brittany will marry on September 7th an exceptional man who we already think of as another son, and they will continue

to live in the Lehigh Valley area. Jonathan has recently taken his GMAT's and this September will be applying to many colleges across the country to pursue his MBA (Masters of Business Administration) next fall. So who knows where life will take him, but he surely got his foundation and spirit for travel (with his two trips to Argentina) right here at St. John's. And as far as that ever-expanding family, Allison will be giving birth to our seventh grandchild sometime this month (August); she will be named Reagan Emilia. Lastly, Russell too has grown here as a Pastor leading the flock. He has spent more than half of his ordained life here at St. John's. You, the people of St. John's, have allowed him to be in this place with you – preaching, baptizing, marrying, burying, and let me not forget visiting (Oh how he has loved his visits!). And through all of these years his faith has grown thanks to the experiences you have shared together, and I believe he has stayed true to the gospel that he has preached. For all these things I am grateful.

Now, it is time to move on from this part of life's fabulous journey to Cherry Hill, New Jersey where we can be surrounded by four of our grandchildren and their parents. These grandchildren just seem to grow faster than our own children did, (The oldest will be 13 in December!) and it is time to spend a lot more time with them. I look forward to being able to attend sporting events, concerts, dance recitals, academic award ceremonies, and to hear their joyful, youthful voices everyday if we so choose. Just to be a part of their everyday lives will be amazingly good! I look forward to exploring the area and finding a church that feels like home with a church family that can open their arms and hearts like you have done. (If you are ever in the Cherry Hill/Philly area let us know, and we'd love to open our arms to you in our new home.)

I pray and will continue to pray for all of you! I know that you, the ministers of St. John's, will continue to use your hands to carry out God's work – baptizing, teaching, supporting each other during this time of transition. Be of good faith and know that right now, somewhere your new pastor is

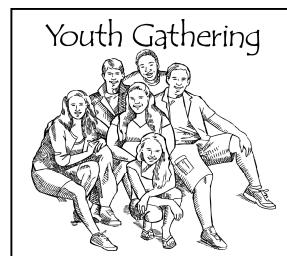

being prepared for you, and God has a plan for the who and the when. In the meantime – Go in peace, to serve the Lord!

Thank you for being a part of my faith journey and my life journey!

In Christ's Love,

Lynn ☺
