Dear SASEAS Parents,

Thank you again for all your generous support of our school. With your donations, time, and involvement we continue to be able to provide an exceptional faith-based education to our students. Titan Run for Fun raised over \$33,000. With that money raised, the administration purchased a sensory path for our pre-school and grades 1-3, they plan to upgrade the Seton computer lab by adding memory and replacing Windows 7 with Windows 10. They will also begin to replace out-dated ipads. Thank you to everyone for all your support and dedication to our amazing school.

Our next event is [Saturday, March 7th, 2020; SASEAS presents A Night in Monte Carlo](#). Along with silent auctions, live auctions, dinner and drinks, there will be gambling, fun, and an evening without children. Proceeds for this event will help with tuition assistance, replacing two servers, upgrading wifi, and purchasing teacher laptops. Depending on how much we raise, we will also look at beginning to replace SMARTboards with Cleartouch interactive displays from preK to 8th grade.

As in the past, we will be doing grade level themed baskets. You should have received an email from your room parent about the theme. Please remember your child will receive an out of uniform pass on Friday, March 6, if they bring in a donation worth a minimum of \$20 (this is per student, not family). This is not necessarily a cash donation it can be an item for the basket or a gift card. Class basket items are due January 31st.

We are bringing back the Tuition Raffle. Your child(ren) will be asked to sell three raffle tickets to family and friends. If every student sells just three tickets we will raise over \$20,000. There will be extra ticket sheets in the school offices if you are in need of more. The turn-in dates for the Tuition Raffle will be January 31st and February 28th. The child that sells the winning ticket will win their choice of an iPad or Apple Watch!!!! The winner will be pulled live during A Night in Monte Carlo.

The fundraising committee will continue to meet every 2nd Tuesday of the month (right after the PTO meeting). And more frequently the closer we get to the big day. We are still in need of committee chairs (decorations, food, silent auction to name a few). If interested please shoot us an email at fundraising@saseas.org.

Please be on the lookout for regular updates in the Titan Times. Very soon you will be receiving a letter outlining this year's sponsorship opportunities. If you know of a family or company that would be interested in a sponsorship please, don't hesitate to let us know. This year we will be offering, in addition to our regular sponsorship levels, table sponsorships and activity sponsorships.

Thank you for your support.

Wishing you and your family a Merry Christmas and a Happy New Year.
