Hooping order:

No Show on the bottom

22" x 22" Batting centered in the hoop

15" x 15" fabric for the center

Page 3

Step 1: Stitch the hexagon through all layers

Step 2: Sew the fancy fill stitch

Step 3: Lay a 20" x 20" border fabric centered on top.

Step 4: Cut away the inner hexagon

Then sew the candlewicking

Step 5: Take out of the hoop

Mark 4" away from all sides of the hexagon on the wrong side

Step 6: With right sides together, sew the back to the front, leaving an opening for turning.
