62. Fill Bucket
63. Touch inside the leaf to fill it
64. Next
65. Change the size to 75% because the leaf is small and we want to really see the fancy fill.
66. Oops we can't see the fancy fill in the stem
67. Try 65%

68. Try Changing the angle to 30 degrees Now it's good

Step 1: Hoop No-Show Stabilizer lay a piece of batting at least 12" x 12" on top. Stitch the first circle then trim away excess batting.

Step 2: Lay the piece of fabric on top that you want to use as your leaf. Stitch the fancy fill.

Step 3: Lay a 12" x 12" piece of fall leaf print fabric on top. Stitch the straight stitch leaf, then trim away inner fabric.

Step 4: Satin stitch around the leaf.

Step 5: Tack down leaf print fabric with the circle again.

Step 6: Fold two pieces of 13" x 13" in half. Position with the folds towards the center, overlapping by at least ½" on each side. Stitch the final circle being careful to not catch the fabric where it overlaps. Trim, turn, press and seal shut with Steam a Seam 2.
