# Gloria Horn Sewing Studio
Going A Little Batty Applique
IQ Designer

- Take a picture of the bat from your pattern.
- If you are satin stitching your bat, thread your machine with dark gray in the top and black in the bobbin.
- If you are blanket stitching, thread your machine with black in the top and bobbin.
- Fuse Featherweight Hotfix to the back of your black fabric.

1. Open IQ intuition Positioning App
2. Select image for creating design.
3. Select the picture of the bat.
4. Send to the machine.

116. Embroidery

- Step 1: Using your projector, position the bat. Page 4 of 12 Turn off the light. Stitch the placement line
- Step 2:   Position an 8"x5" piece of Black fabric (fused with Featherweight Hotfix) over the placement line, stitch, trim and press.
- Step 3: Satin stitch the bat.

To quilt with your bat design, just stitch step 1.
