Subject: List of Sites

Mark,

Roger asked me to loop back with you on requests that a number of your chapters have received with a short turnaround time related to the agency sites from survey staff. I have clarified with BPC surveyors that the information we are gathering is to be based on our records and there should be no requests to the agencies for such information. If you receive any further reports, which I hope will not be the case, please let me know and I will follow up.
