Honorable Andrew M. Cuomo  
Governor, State of New York  
Executive Chamber  
The Capitol  
Albany, NY 12224

Dear Governor Cuomo,

We write to correct our letter from January 25, 2021 (attached). Specifically, we have reason to believe that vaccine administration appointments are being cancelled only for those seeking first dosages, not second dosages. As this highly fluid matter continues to evolve, we will continue to keep you updated.

Thank you for your continued attention to this important matter of equity for people with disabilities.

Very truly yours,
