Parking Information:

Visitor Lot V3 is available under the Plaza, though it often fills quickly. For large groups, drop passengers at the Washington Ave. entrance (street-level accessible) before parking. Accessible parking is available along Park St., Washington Ave., and State St. (note: State St. requires using stairs).

For additional parking options, rates, and restrictions, visit the [Empire State Plaza Parking site](#) or the [Park Albany website](#).

Entering the Capitol Building:

All visitors must go through security into the Capitol Building from the Concourse or at the street level from State Street or Washington Ave. Visitors to the Capitol are required to pass through metal detectors and have bags scanned through an x-ray machine. Please allow additional time with your planned arrival to make your way through security.
