## Program details:

Orders can be combined with or included as part of stock promotional orders.

Simply add the Halo Bakers Dozen models to the order and include the note "HALO BAKERS DOZEN"

Notes should be added to the FLASH order header or as a separate line in the FLASH order similar to the following:

	Req. Qty.	Brand	Catalog Number
1	10	HALO-Rec	RL4069S1EWHDMR-C
2	10	HALO-Rec	H245RICAT
3	3		HALO BAKERS DOZEN
4			

Housings must be capable of operating the matching retrofit module.

Various housings and retrofit models can be mixed on the same order but a minimum of 10 of the same model of both the housing and the retrofit are required to qualify.

Where quantities of housing and retrofits do not match, the minimum qualifying value will be used to calculate the quantity of free products.

Where quantities of housing or retrofits are not a multiple of 10, the minimum qualifying value will be used to calculate the quantity of free products.
