LETTER FROM THE PRESIDENT

Reflecting on 2021 our community was nothing short of amazing. Seeing so many groups asking for ways to help shows that our community truly Lives United. The mission of the Marshfield Area United Way is to increase our community's capacity to care for one another and that was accomplished in so many ways in 2021. The collaboration of the high school students and their basketball team to donate almost 1000 boxes of cereal. Over 100 community members with their children volunteering to rake lawns on Make a Difference Day. Our local youth hockey teams doing a team challenge to get the most donations for the NOW program.

There were so many highlights that so many helped with. The theme stayed constant; it was always what can we do? United Way celebrated moving into their forever location with a generous donation from the Heckel family. We said good-bye to some retiring board members Amber Voelker and Al Michalski that served for six years and made amazing contributions to the mission of United Way.

I am excited to see what we, as a community, will do in 2022. I challenge each of you to continue to strive to be kind and give when you can.

Jolene Sternweis
2021 United Way Board President
