

A Quick Guide to Raising Money for Your Team

Through Ballard High School Foundation Fundraising Events

Dear Ballard Athletics Booster,

Thank you for helping support Ballard's student athletes through your participation as a team rep, volunteer, or coach. The Ballard High School Foundation hosts several events throughout the school year that offer multiple ways to raise money for your team. Founded in 1997, the Ballard High School Foundation has raised more than \$5 million for Beaver Athletics.

These fundraisers include:

- The **Running of the Beavers 5K** at Golden Gardens in March.
- The **Celebrating All Things Ballard Online Auction**,
- The **Salmon Barbecue Dinner with Live Auction** in August,
- The **Victor Salvino Golf Classic** at Newcastle Golf Course in August, and
- The **Breakfast of Champions** event in the fall.

When you support these events through securing sponsors, procuring items and/or event participation, **your team will benefit.**

The **Celebrating All Things Ballard** event features a two-week online auction as well as a celebratory culminating **Salmon Dinner Event** and in-person auction at Pacific Fishermen Shipyard that takes place the day before the annual Golf Classic.

- **100% of the items procured for the silent and live auctions will go directly to your team or activity.** (*Examples include neighborhood restaurant dining opportunities; area merchant wines and shopping options; travel offerings, golf outings, as well as professional sports or theater tickets.*)
- **100% of the dinner ticket sales and direct team donations will go directly to your team or activity.**

The **Victor Salvino Golf Classic** is held every August at the Newcastle Golf Course. Teams benefit by recruiting golfers (or signing up their own foursome) and/or sponsors.

- **100% of registration or sponsor fee, or direct team donations, will go directly to your team or activity.**

The **Breakfast of Champions** will next be held in October. Our kickoff breakfast event in October 2023, included the inaugural presentation of the **Sue Stimac Verduin '78 Woman of Impact Award**. This fall 2025 event will celebrate retired BHS PE Teacher **Bebe Burns**, who taught and coached at Ballard for 30 years.

- **100% of ticket sales or sponsor fee, or direct team donations, will go directly to your team or activity.**

Finally, for the popular **Running of the Beavers 5k Fun Run/Walk** in March,

- **70% of your entry cost will go to your team or activity** (*the remaining 30% goes toward race day event costs*) and **100% of your sponsorship recruitment efforts and direct team donations will go directly to your team or activity.**

For details on how to document your participation, receive credit for your team and/or activity, or for any questions, please contact Dick Lee at rjlee@seattleschools.org or 206-391-5555.

Thanks and Go Beavers!

Raising Funds for Your Team is Easy!

Thank you for your interest in team fundraising at Ballard High School Foundation events. Our goal is to get your team the biggest bang for your buck. **By securing a dedicated team donation through our online event link, or participating as an event volunteer or selecting your team as the recipient of your registration, and your team will keep 100% of your proceeds.** (Note: Due to race course administration fee participating teams get 70% from Running of Beavers fundraiser registration. *)
