

**CELEBRATING FEMALE PARTICIPATION IN SPORTS
PAST - PRESENT - FUTURE**

**JANUARY 25, 7:30PM @BHS
THROUGHOUT GIRLS VARSITY BASKETBALL GAME**

Title IX has helped remove barriers and prevent gender discrimination in federally funded athletic programs, which is evident in rising female participation in sports since its passage in 1972. It is important that we celebrate and continue this work in providing equal opportunities for participation in BHS athletics and programs all around the world!

IT'S BIGGER THAN BASKETBALL
