

## 2016 Seattle Mariners High School Baseball Classic

Your **Ballard Beavers Baseball** program is partnering with the **Seattle Mariners** in an exciting fundraising opportunity! Here it is, plain and simple: **If we reach our fundraising goal of selling 1,000 tickets to a Mariners game, we get the opportunity to play a game of our own at the one and only Safeco Field!** That's right, the **Beaver Nine** will be stepping into the same batter's box as the pros! They'll be fielding grounders on the same infield as **Robinson Cano**, and slinging fastballs from the same mound as **King Felix**! They'll also get their names displayed on the largest video screen in Major League Baseball! The annual **High School Baseball Classic** is not only a great fundraising idea, but an exciting and everlasting experience for any young baseball player, and **we'd appreciate your support!**
