Property owners are asked to refrain from watering lawns on the day the street adjacent to their property is to be paved to avoid directing water into the street. In the event of rain, the project will be postponed until rain chances have subsided.

Property owners are also asked to refrain from mowing, trimming, or weed-eating the grass adjacent to the street to be paved to avoid the unintentional placement of grass clippings onto the street.

A tentative schedule can be found on the City's website at www.fbgtx.org. This schedule will be updated as necessary throughout the project.

We apologize in advance for any inconvenience caused by this project. Your cooperation will help expedite this project and is greatly appreciated.
