

## Partnership with Bridge Diagnostics

KMSD is excited to have a NEW partnership with [Bridge Diagnostics](#) located in Waukesha near SkyZone and Point Burger Bar. Testing is completed by [Grand Avenue Pharmacy](#), refer to their link for up to date locations and hours.

Local Lab locations and current hours:

### **Bridge Diagnostic/Grand Ave Pharmacy- Drive Up/Walk-up**

W229N1400 Westwood Dr., Waukesha WI 53186  
Mon-Fri: 9:00am-7:00pm  
Sat: 9:00am-3:00pm  
Sun: 9:00am-3:00pm

This partnership will allow for PCR results to be communicated directly with KMSD health staff, eliminating the need for extra steps and a quicker return to school. No appointments needed. No paper involved.

How does this work?

- 1) Register [HERE](#)
- 2) Choose your school/location within the registration form.
- 3) When you arrive, please let test collectors know it is for the Kettle Moraine School District
- 4) Results get uploaded into a portal that is only accessed by KMSD health staff, so confidentiality is still maintained.
  - a) You will receive the results as well.
- 5) Bridge Diagnostics guarantees next day results, ensuring that with negative results and improving symptoms, your student can return to school the next day or as soon as possible.
- 6) **IMPORTANT NOTE:** This location does offer rapid antigen testing as well by request. These results will NOT be available to KMSD health staff, you will need to submit them to the health room directly. Kettle Moraine only accepts PCR negative tests when a person is experiencing symptoms. All rapid antigen testing is sent for PCR and those PCR results will be shared with KMSD staff.

## Partnership with Summit Clinical Laboratories

KMSD will continue a partnership with [Summit Clinical Laboratories](#). Please refer to their website for locations and up to date hours. You will need to scroll down for the locations and hours.

- **IMPORTANT NOTE:**

- You DO NOT register with the registration link or QR code on their website. Simply go to the testing site and present your paperwork. If someone tells you they do not accept it, please tell them the District RN has advised you that this paperwork is what can be used for our school district.

Local Lab locations and current hours:

### **Summit Clinical Lab-Delafield-Walk In**

2850 Heritage Drive, Delafield, WI 53018  
Mon-Fri: 9:00am-5:00pm  
Sat: 9:00am-3:00pm

This partnership will allow for PCR results to be communicated directly with KMSD health staff, eliminating the need for extra steps and a quicker return to school. No appointments needed.

How does this work?

- 1) Print out the two forms linked below and take them with you when getting tested.
  - a) [KMSD Summit Clinical Lab Registration Form](#)
  - b) [KMSD Summit Clinical Lab Consent Form](#)
- 2) Results get uploaded into a portal that is only accessed by KMSD RN's, so confidentiality is still maintained.
  - a) You may also create a portal to receive the results as well. Once a portal is created the first time, you can go back anytime to check for new results.
- 3) Summit Clinical Laboratories offers same day results by 9 pm, ensuring that with negative results and improving symptoms, your student can return to school the next day or as soon as possible.
  - a) If you do not get results via your portal, please email [health@kmsd.edu](mailto:health@kmsd.edu) to inquire about results.
