

GETTING TO KNOW

KETTLE MORaine
MIDDLE SCHOOL

GREETINGS FIFTH GRADE FAMILIES!

It's time to start thinking about middle school!

Over the next few weeks, middle-school counselors will be visiting with fifth graders about the choices they have for their middle school learning.

You are also invited to a **Middle School Information Night** at Kettle Moraine Middle School. Choose the date that works for you, as each night will feature the same information:

- **Wednesday, February 5 @ 5:30 p.m.**
- **Thursday, February 6 @ 5:30 p.m.**

The Information Night will include a presentation at 5:30 about learning environments and course options for our students. After the presentation, you will have time to walk around the building to see spaces and ask questions of our educators and support staff. The night will conclude by 7 p.m.

In addition to these evening opportunities, there will be **three (optional) days you may choose to visit the middle school with or without your child during the school day.** These dates are:

- **Friday, February 7**
- **Monday, February 10**
- **Wednesday, February 12**

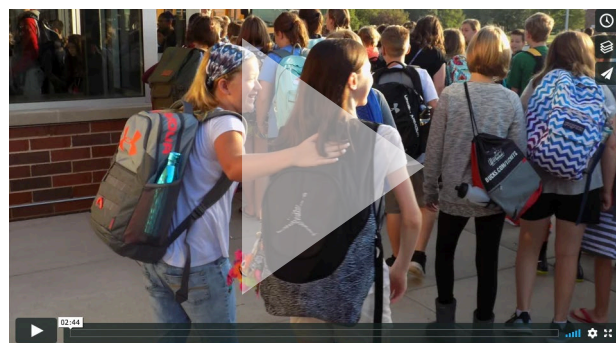

These **"Live Look at KMMS"** sessions begin at 9 a.m.

You can RSVP to one of those sessions during the Information Night, or please email Middle School Office Assistant LuAnne Simon at simonl@kmsd.edu to register.

Questions? Contact KMMS at (262) 965-6500 or email Principal Comiskey at comiskem@kmsd.edu.

Looking forward to seeing you soon!
