

BUSINESS ATTIRE

For a business dinner event, both men and women should opt for a polished, professional look.

Men, this means a dark suit, dress shirt, tie, and dress shoes

Women can choose a skirt suit, or nice pantsuit with heels or flats

Key points for men:

- **Suit:** A well-fitted dark suit (black, navy, charcoal)
- **Shirt:** A crisp, long-sleeved dress shirt
- **Tie:** A classic tie that complements the suit
- **Shoes:** Leather dress shoes like Oxfords or loafers

Key points for women:

- **Dress/Skirt Suit:** A tailored dress or skirt suit in a neutral color
- **Blouse/Top:** A professional blouse with clean lines
- **Pants:** Fitted dress pants in a dark color
- **Shoes:** Closed-toe heels or flats that match the outfit
