I am in a newly established regional role with Roger Williams University and based out of Northern VA so have a great amount of flexibility to connect with counselors and students throughout the year. Please be in touch if you would like to learn more or have me plan a visit. I am a member of MARCA and hope to see you at our future sponsored events.

Roger Williams is located in beautiful, coastal Rhode Island and is conveniently located between Providence and Newport (30 min each). We are also only about an hour south of Boston and have a variety of counselor programs available if you would like to visit. We have many different majors available and more than 90% of our students will do at least one minor in addition to their major. Most popular majors include Architecture, Marine Biology, Engineering/Construction Management, Business, Criminal Justice, and Forensic Science. Study abroad is incorporated to all of our programs with nearly 50% of our students taking advantage of the opportunity. There are also accelerated pathways to graduate degrees with 4+1 programs available for the MBA, Special Education, Criminal Justice, and Construction Management. Architecture is a 4+2. We also have the only Law School in the state of RI and there is a 3+3 track to earn a JD or a JD/MBA. More details on all of the accelerated programs can be found here:

<https://www.rwu.edu/graduate/programs/bachelors-plus-programs>.

Look forward to meeting with you and seeing you at the spring fairs next year.

Best,
Colton
