

Better Together

Longest Lash Thickening and Lengthening Mascara

- Formulated with:
 - A proprietary blend of seaweed lipids that protect lashes
 - Triple-length cellulose fibers to add extra length and thickness
- Packaged in a squeezable tube with a high-quality, jumbo sized hollow fiber brush that works with this formula to:
 - Separate and define lashes
 - Prevent clumping
 - Create natural looking lashes
- Free of lacquers, shellac and petroleum.

PureLash® Lash Extender & Conditioner

- Algae extract conditions and protects lashes, reduces splitting and breaking. It allows the lashes to grow to their full potential and may even encourage extra growth.
- Adds measurable thickness and length to lashes when used as a primer for mascara.
- Allows you to use less mascara.
