SAINT LUKE'S PARISH Summer of Psalms POETRY - PRAYER - PRAISE

Summer is around the corner, and with the change of pace - and often place - we are centering our summer around The Book of Psalms. It's been called *the Bible's Bible*, a complete human life compressed into 150 songs. This summer, we invite you to live inside them.

We'll explore the psalms together in several ways - woven into Sunday sermons, opened up at two lunch & learns, and prayed and reflected over with a printable day by day schedule you can complete anywhere. However the summer shapes up for you, the psalms will meet you where you are.

More details & a printable schedule will come in this week's eNews. In the meantime, note some seasonal schedule changes:

- Our 8am and 10am Holy Eucharist services on Sundays and the 10am Holy Eucharist & Healing service on Wednesdays continue over the summer. Final spring CAYA is next week.
- Coffee Hours at 9am & 11am will be in the Cloister.
- Summer Children's Chapel is a combined offering for ages 3 to Grade 5 in the Chapel, with all returning to their families in 'the big church' at the Peace.
- Some small groups will continue to meet in June, July & August and others will be on hiatus - check the parish calendar on our website for details on meeting days & times.

We will return to our program-year schedule on Homecoming Sunday, September 13, 2026.
