

“Helping the Unhoused”

September 30, 2021

5:30 pm – 7:00 pm

Our April Webinar titled “Ending Homelessness in South County” proved to be quite popular. By far the most asked question of viewers was essentially “How can I help?” The theme of this follow-on session will be answering that question. We will feature speakers from several organizations that support the unhoused in South County to briefly describe their organization and address how listeners can get involved and help them accomplish their various missions and visions
