## Shelter-in-Place Window-Art Competition for Youth & MH Community Disaster Relief Fundraiser

**ATTENTION Morgan Hill youth artists grades PreK-12!**

'Morgan Hill Together' is an art competition for local youth intended to raise awareness of the newly formed Disaster Relief Fund umbrellaed under the Morgan Hill Community Foundation (MHCF), and to serve as a vehicle for students to express themselves during Shelter in Place. Through the expression of artwork on our windows, we show that we are connected on more than just a physical way. The theme explores how we are all connected during this time where we are apart. **Participation is free, though donations are gladly accepted to the Morgan Hill Community Foundation Disaster Fund, currently serving people in need at the time of this pandemic**— giving our youth an avenue to participate in a philanthropic cause. Awardees will be recognized by our local MH leaders and news media, prizes in each of the five groups, plus ONE GRAND PRIZE for the best overall entry, will be gift cards to local businesses!
