

# Help House a Gavilan College Student

**Do you have a spare room in your home that goes unused?  
You could provide housing to a Gavilan College student.**

Gavilan College has partnered with the House Sharing Program of Catholic Charities to help students find below market room rental opportunities close to campus.

Through this partnership, the House Sharing Program will work with Gavilan College students and home providers within the community to find the best housing match for each individual.

**28%** of Community College Students identified as not being able to pay the full amount of their rent
