

Subject Line: [PLEASE REGISTER] SCC COVID-19 CAP Hindi Language Ambassador Training

Dear Community Leaders and Residents:

The Santa Clara County COVID-19 Community Ambassador Program (CAP) is hosting its first Hindi Language Ambassador Training on **Saturday, April 17, 2021 beginning at 11:10am**. We welcome you to participate and become a CAP Ambassador.

For those of you joining for the first time: we ask for your help and leadership as we continue to experience a high number of hospitalizations and COVID-19 cases in Santa Clara County.

As an Ambassador, you will serve as a trusted resource for COVID-19 information in our communities. In this capacity, you will play a key role in educating others about COVID-19 to curb the spread as we continue to vaccinate our residents. Your role will be primarily virtual. You will be trained and provided with weekly toolkits containing topline messages of the week, infographics, videos, and sample social media posts. We will provide you with the latest updates on COVID-19 tests, cases, and vaccines through periodic Ambassador Trainings. Then we will ask you to engage with your networks, groups, and communities to share the facts.

Please join us for the Hindi Language Ambassador Training Saturday, April 17 from 11:10am – 1:05pm:
