

CHALK IT or WALK IT

An Art Contest for Ages 8-21

Springtime is finally here! Let's soak up the sun and get creative. Turn your driveway into a canvas and use your imagination to create some art. You can do this by yourself, with friends, or even with family — it is totally up to you! All we ask is that once you have completed your artwork please put your initials in the corner of your art, or better yet take a picture with you in it, so we can show off your work. Submit your masterpiece and get automatically entered in a contest to win some prizes.

Let's be mindful and keep your imaginations positive and refrain from any negativity.

Entries due by June 11, 2021 to SUPS.ACTIVITIES@GMAIL.COM
