BLUE MONSTER scrubbing towels are pre-moistened, heavy-duty hand and surface cleaning towels ideal for general purpose cleaning without water.

Blue Monster towels are saturated with a safe, effective cleaning solution free of harsh solvents and chemicals. The citrus-based formula is combined with a tough, dual-textured towel to loosen, dissolve and absorb dirt and grease leaving your hands clean. One side is rough for scrubbing and the other side is smooth. They are lint free and quick drying.

These towels require no water and leave hands feeling conditioned and clean. Available in go-anywhere single packs, a convenient flip-top tub dispenser or a larger, stackable one-gallon bucket. Both dispensers feature a secure lid that prevents towels from drying out.
