Childcare Network of Evanston  
1335 Dodge Ave., Evanston IL 60201

Dear Parents,

For multiple years, we have partnered with Childcare Network of Evanston's (CNE) Learning Together (LT) program. LT brings experienced mental health consultants (MH), speech/language pathologists (SLP), and occupational therapists (OT) into the classroom to support our teachers and children. Through observation, consultation with center staff and classroom based services, consultants help prepare children for lifelong learning and success.

The LT team will collaborate with the center staff and reach out to parents if needed regarding children's development and progress. Information gathered by the LT consultants from their work in the classrooms and with teachers is shared within the LT team and childcare centers only. The information obtained will be treated as private healthcare information. This information will not be shared with any outside entities without parent/caregivers written consent. No written records will be kept in your child's file beyond this written consent form, without your consent.

The LT program is funded fully by grants. In order to keep the funding for this valuable program, we will be collecting demographic information, such as date of birth, ethnicity, family income, etc. which will be shared with funders for data collection purposes. No identifying names or information will be shared.

I acknowledge the partnership between my child's center and Childcare Network of Evanston's Learning Together program to offer child development support and enhancement services to my child and the center staff.
