TECH WORKSHOP WITH RAINE

Introduction to Digital Art

Do you want to make art digitally, but don't know where to start? Look no further. We'll go over tools, from industry standard programs to free software you can download on your device. We'll learn about basic features and techniques to help you along with your journey, and after the presentation, you'll get a list of websites to supercharge your art in the future!

For more information contact Raine at
rfisher@curryseniorcenter.org
415-802-4379

Friday August 21st at 1pm at 520 Turk Street

DIGITAL DEBRIEF

In this month's Digital Debrief, we'll explore the growing controversy surrounding data centers and their role in our increasingly digital world. Learn what data centers are, why they're expanding rapidly to support cloud computing and artificial intelligence, and why communities, environmental groups, and technology companies often disagree about their impact. We'll discuss the benefits, challenges, and what this means for the future of technology and our everyday lives.

For more information contact
Jose at 415-702-5765
jpicaazo@curryseniorcenter.org

**Monday August 17th at 2pm
at 520 Turk Street**

IN PERSON: Friday August 14th at 2pm at 520 Turk Street

ONLINE: Tuesday August 4th at 3pm; Meeting ID: 845 1857 9747

CURRY CINEMA SCREENINGS

By Pedro Almodóvar

This summer we will be screening films by the Spanish, auteur filmmaker, Pedro Almodóvar. Combining melodrama and irresistible humor, Almodóvar has developed a cult following for good reason. Join us for popcorn, beverages, and a brief discussion after the screening.
