TECH TALKS WITH ANGELA

Touchscreens & Touchpads

So many swipes, taps, and clicks these days. Join us to learn current tricks on touchpads and touchscreens to accomplish your daily tech tasks. The workshop includes tips on taking photos, rearranging icons, cutting and pasting text, and surviving without a home button.

MAPLE'S MONTHLY WORKSHOP Maple的每月工作坊:

Where is my Phone? 我的手机在哪儿?

It is a question we have asked ourselves many times. Join Maple as she walks us through the "Find My" App designed to help locate your phone and/or tablet. The app not only provides an extra layer of security for your device but also peace of mind in tracking it down.

这个问题我们都问过自己很多次。加入Maple的课程，她将带我们了解“查找”软件，该软件旨在帮助您定位手机和/或平板电脑。这款应用程序不仅为您的设备提供额外的安全保障，还能让您安心地追踪设备。
