

... helping people find their way back to God

Worship Service Information

Join us on Sunday mornings for worship services at 9:30am at the Pinnacle Center in Hudsonville. Read below for what you can expect to experience on a Sunday morning:

- We'd ask that you practice social distancing when you can, and wear a mask when you can't, such as when you're entering, exiting and when we're singing. You may remove your mask when you are seated and social distanced from others. Our volunteers and staff will be wearing masks while serving.
- We will resume Harbor Kids programming for kids ages 3 years old through fifth grade on Sunday, March 7. All children will be asked to wear masks while participating in Harbor Kids programming. Activity bags are also available for kids during the service.
- Nursery is not available at this time, but we welcome little ones to join us in our service. We welcome all the crawling and crying they bring – your child is not an inconvenience to our worship!
- We'll continue to provide online worship for you to join us at home. We'd invite you to join our online worship live stream on Facebook and on Vimeo at 9:30am.
- We will be arranging seating to provide greater distance between rows to achieve social distancing, and we'd ask that you sit as a family and leave 2 chairs of space between you and the next family in your row. Ushers will be ready to help you find seating.
- We will not be serving food or coffee at this time to maintain a touch-less experience and to reduce the possibility of transmission.

We look forward to worshipping together in person and online on Sunday mornings!
