

...helping people find their way back to God.

Worship Service Information

Join us every Sunday morning for our worship service at 9:30am at the Pinnacle Center in Hudsonville. You can check out our [video walkthrough](#) before you arrive or read below for what you can expect to experience as we begin indoor gatherings this fall:

- Masks are required for everyone as long as you are indoors. We are happy to provide a mask if needed.
- We also provide online worship for you to join us at home. We'd invite you to join our online worship live stream on [Facebook](#) at 9:30am.
- Harbor Kids programming is available for kids ages 3 years old through grade 5. Activity bags are also available for kids during the service.
- Nursery is not available at this time, but we welcome little ones to join us in our service. We welcome all the crawling and crying they bring - your child is not an inconvenience to our worship!
- We will be singing, but fewer songs than normal and all at the end of the service. Masks will help to mitigate the spread, especially during singing.
- We will be arranging seating to provide a greater distance between rows to achieve social distancing, and we'd ask that you sit as a family and leave 3 chairs of space between you and the next family in your row. Ushers will be ready to help you find seating.
- We have developed a volunteer cleaning team who will ensure that the building surfaces and touchpoints have been cleaned prior to our services.
- We will not be serving food or coffee at this time to maintain a touch-less experience and to reduce the possibility of transmission.
- **We are so excited to see you and look forward to worshipping together!**

If you'd like to know more about when in-person gatherings may turn into online only gatherings, be sure to check out our update [video here!](#)
