

Sunday Mornings with Harbor Kids

- We have Harbor Kids programming available for kids ages 3 years old through fifth grade.
- Families are encouraged to bring a blanket or beach towel for your child to sit on as a way to keep kids separated. All activities/games will ensure we are creating a positive, engaging environment while adhering to the social distancing guidelines.
- Harbor Kids volunteers will be wearing masks. All children (ages 3 - grade 5) will be asked to wear masks while participating in Harbor Kids programming.
- Any family that prefers to keep their child with them during the service can pick up an activity bag from Connecting Point to utilize during the service.
- Look for the Harbor Kids check-in sign, and we'll have a check-in station set up where you will sign in your child(ren). We're currently receiving 2020-21 Harbor Kids registration forms, and you may also complete our Harbor Kids registration form on the first week that your child attends Harbor Kids programming.
- At the end of the service we will ask one parent to wait by the check-in, and we will bring your child(ren) up to you.
- **We are so excited to see your kids and worship together!**
