## **Northwest Wayne **IN-PERSON** Public Forum**

### **The Role of Trauma in Addiction and Treatment**

Research has demonstrated that addiction and mental health disorders are often responses to trauma. What is trauma? And how does it impact substance use disorder? At this forum, Sanford Addiction Treatment Centers founder Rae Green and clinical therapist Jenny Selent will explain the role that trauma plays in substance use disorders, the incorporation of “trauma-informed care” into addiction treatment, and how trauma awareness can strengthen recovery.
