

JOIN GULF COAST CENTER'S RYSE
PROJECT FOR A TRAINING ON

SAFETY PLANNING INTERVENTION

SPI teaches the steps of the safety planning intervention using the Stanley Brown Safety Plan.

Participants will learn when to complete a safety plan and what steps are necessary to complete a successful safety plan.

Open to anyone, especially those who provide services to those at-risk for suicide.

**THURSDAY FEB 17 1:00PM-4:00PM
VIRTUAL MEETING**

For registration and meeting link contact
DianeM@gulfcoastcenter.org or 409-944-4436.

Gulf Coast Center's RYSE (Resilient Youth Safer Environments) suicide prevention grant supports youth and youth serving agencies in Galveston County through crisis intervention, care coordination, training, and education.
