

## **Middle School Trick-or-Treat Street Permission Slip**

To MS Students/Parents:

The theme for Trick-or-Treat Street this year is “Throwback.” The idea is to pick something from a favorite decade/era gone by and take us back to the past. Remember, these need to be appropriate for young children. The Middle School students are providing a service to our younger students. They are decorating the hallways to provide a safe and fun experience for the the younger kids to Trick-or-Treat through. We want everyone to have a great time.
