Florida Transportation Builders Association is an association of road construction contractors. Designers, CEIs (construction inspectors), and FDOT employees are invited to join with general contractors to meet on an informal basis and network (you don't have to be a FTBA member to attend). Engineers, CEIs, and FDOT employees will benefit by improving working relations with contractors. Engineers may benefit by meeting general contractors to develop relationships for design-build teaming opportunities.

#### Florida Transportation Builders' Association, Inc. Antitrust Compliance Policy
