“Rusty shares her passion for music through patient and thoughtful instruction that inspired both my daughters to develop a mastery in piano. The gift of music she nurtured runs deep in both of them - one has even returned to take guitar lessons!”

**The Tomblin Marca Family, Costa Mesa, CA**

“Rusty is the perfect blend of warm teacher and serious musician to engage children while encouraging their musical growth.”

**The Ambrose Family, Tustin, CA**

“Rusty was our children's piano teacher for over 7 years. Her methods were well balanced, giving our children an ability to be creative, while instilling the importance of music theory. Her patience and dedication gave our children an incredible love for music that continues to this day.”

**The Maricich Family, Huntington Beach, CA**

“Rusty is an inspired teacher and musician. Our son was her piano student for over 10 years. Now as an adult, he plays guitar and performs his own compositions. Thanks to Rusty's encouragement and instruction, music is an integral part of his life.”
