

Announcing our newly-enhanced Early Childhood program

The Early Years at WSOC

WALDORF SCHOOL
ORANGE COUNTY

2020-2021

A young child is shown from the waist up, wearing a white t-shirt and brown corduroy overalls. They are wearing a light-colored bucket hat with a tropical floral print. The child is holding a green plastic watering can and is watering a small, leafy green plant growing in a wooden planter box. The background is slightly blurred, showing more plants and a wooden structure.
