The 7th Singing Training in California

at: Ananda Meditation Retreat
18443 MacNab Cypress Rd., Nevada City, 95959

Session II: June 6-10, 2019

Every human being has a singing voice. Our work is to unveil, take away the hindrances and free the voice.

The Training takes place over 3 1/2 years, meeting 5 days in June & 3 days in February. It includes four private lessons a year, group work and choir. It will be held in Santa Cruz in the winter and Ananda Meditation Retreat, Nevada City in the summer.

Annual tuition:
\$800 for June
\$400 for February
(lodging & meals are extra)

This advanced Training is for people with previous experience of Uncovering the Voice, an artistic impulse first developed by Mrs. Valborg Werbeck-Svärdström with guidance from Rudolf Steiner.

The process of singing is viewed holistically and encourages a natural opening and balancing of the voice.

Singers are invited to move with confidence and joy in discovering their own voices through engagement and active participation. A wide range of specific singing exercises are developed together with a deep study of Werbeck's book, 'Uncovering the Voice, The Cleansing Power of Song.'
