

# OUR PHILOSOPHY

The Vanguard University Basketball Camp powered by NBC Camps is for boys and girls ages 5-14 who are looking for an entirely unique atmosphere which transcends the typical camp experience.

Participants in the Vanguard Basketball Camp will not only be coached, trained, and molded into better basketball players through top-notch skill instruction, but will also be taught and encouraged to develop positive character traits that will translate to everyday life.

The values displayed and taught by the Vanguard Basketball staff are Biblically-based and specifically targeted to molding our campers into young men and women who will have a tremendous positive impact on their friends and family, neighborhoods, schools and communities. Camps are founded on Christian values and principles, although campers from all faiths attend.

Every camper is important, one that we value and honor. After being encouraged and challenged with positive motivation and the core character beliefs that we teach, we firmly believe that our campers will emerge from the Vanguard Basketball camp as leaders, with the confidence, integrity, and enthusiasm essential for success, both on and off the court. Our campers will leave Vanguard equipped with the necessary tools they need to make a positive impact on those around them and to take their game to the next level!
