

# St. Jude Festival Baskets

*It's time to start planning and creating baskets for the festival in May/June, and the festival committee needs donations from the school to make this happen! Throughout the years, festival money has been used to make much needed school improvements. We all want school improvements, and this is a way the school community can contribute to a successful summer festival. Each teacher (or grade) has been assigned a basket with a specific theme. To make this as easy as possible, an Amazon wishlist has been created for each basket. Please consider going in with other families to purchase bigger items for baskets to make them more successful. Additional items related to the theme of your child's basket can also be purchased (gift cards, snacks, drinks, etc). Each teacher will have a box in their classroom to collect the items brought in for their basket. Donations are due Friday, May 3rd. Thank-you for your help in making the festival successful!
