

## **MEC October 2021 Newsletter**

**Hello! Are you ready for cooler weather? We are inching closer and closer to the end of the year, which means business and schedules are about to become very busy. The atmosphere in our area during this time of the year is electric. Seeing the spirit our residents have for all of the holidays, the amazing decorations around town, and watching people participate in events proves how fortunate we are to live in this community and how devoted our residents are to making life fun and having a GREAT time.**

**Speaking of events, the Father/Daughter Dance is just around the corner. Please register right away at [www.clintonia.com](http://www.clintonia.com) . Just click through to our Events Calendar and follow the directions. This event is very popular, so you should register ASAP. Admission is only \$20/couple and \$5 for each additional daughter. Please contact me if you have any questions. I am more than happy to help in any way in order to make this a very special memory. I may be reached at [jholm@clintonia.com](mailto:jholm@clintonia.com) or please call (563)242-5702. Guests are welcome from all school districts.**

**We are proud to present Potted Gnome as a new CACC member! Don't have a green thumb but would love to spruce up your office or home with REAL foliage? THIS is the connection. If you are looking to maintain, lease, or buy indoor plants for your home, business, or organization, please give Thom Schmitt a call at (563)206-8292.**

**Have a wonderful November and remember to stop to have some fun. Our community and surrounding area have so many fantastic places to visit, especially at this time of year.**
