

May 2021 Newsletter

Welcome to May! This is one of my favorite months because it gets warmer and everything is growing and I can go back to enjoying the sunshine and cozy evenings by the riverfront.

For the month of May we here at the CVB are partnering with two of our awesome attractions in town... the LumberKings and the Showboat Theater! Watch their social media and ours to find out how to buy season tickets and get entered into a drawing for a pair of tickets to a sporting event or show. You'll be able to choose from a list of several that include things like Iowa Hawkeyes and Michael Buble', among others.

Our big push for May is going to be filling all the new flower pots along the river. This is part of our FAB program, (Flowers And Beautification) and is a great way to keep our riverfront attractive and interesting. If you or your group would like to maintain one of the flower pots, please email me ASAP so we get you on the list. More info will be available on our VisitClintonIowa social media.

And last but not least, the Visitor's Kiosk is open for the season! Please stop in to find info on our local attractions and those in communities throughout the area and throughout Iowa. All of the information there is provided free of charge, so help us get the word out about this unique info stop.

The Clinton Area Convention & Visitors Bureau, also known as VisitClintonIowa, exists to help attract visitors and overnight guests to the area. The CVB aims to enhance the overall Visitor Experience by welcoming them, creating and promoting local itineraries, and working with hotels and area attractions to foster an exciting and unforgettable experience. Our CVB Director, Lesley Webster, invites you to reach out with ideas, events, and input via social media @visitclintoniowa or email to lwebster@clintonia.com.
