

MEC September 2021 Newsletter

Hello! The days are becoming cooler and shorter, but that's not slowing down the Chamber! I know I keep saying it but, after last year, being really busy feels good.

Please help CACC give a warm welcome to our newest member, Miles Communications! Remember Scott and his crew when you are interested in phone packages, as well as cable and satellite options for your viewing pleasure. We thank them for investing in the Chamber and our community.

During September, the Chamber was graciously invited to participate in several events celebrating good news from our membership including a wonderful Biz After 5 and 5 ribbon cuttings. If your business or organization would like to share good news or show off your digs, let me know. We will set up a really fun ribbon cutting or put you on the calendar for a Biz After 5. If you don't have the space for Biz After 5 or prefer not to go it alone, it is possible to co-host with another member.

One event that I have been asked about over and over, again, is the Father/Daughter Dance. I am happy to announce that this event is on the calendar for Sunday, November 14, 2021, from 2 p.m. to 4 p.m. at the Vista Grande. Registration details will be on the Chamber website, www.clintonia.com , soon, so keep checking.

One last thing to discuss: RIVER CITY GOLD! We've had a few reports of customers having trouble using this awesome program at area businesses. Please remember (and tell your staff) that RCG is exactly the same as receiving and depositing a check and it is appropriate to issue change when necessary. River City Gold is a brilliant way to keep

shopping dollars LOCAL, which supports our area businesses and grows our community by creating jobs and supporting area families. The Chamber cannot say enough about the impact this program has on our local economy, so please, PLEASE, honor River City Gold when it is presented by customers. Thank you 😊

Enjoy the season by checking out the many events, listed on our OCTOBER EVENTS CALENDAR at www.clintonia.com Have a wonderful October!!
