

A Word from the President

Dear Chamber Members:

We'd like to say a special thank you to all of our members who have made the choice to renew their membership in our Chamber for 2021. And we'd like to encourage everyone else to consider a renewal for their business. I started my own company in Middleburg Heights in 2006 and immediately joined the Chamber because I simply didn't know anyone in the local business community. I felt that if this was going to be the city that I wanted to work in and grow my business, then I had better get out and meet the people who could help me. I am here today to say that it worked for me and it can work for you too!

One of the best ways to meet people and promote your business in our community is through getting involved with ongoing projects in our Chamber. While we, for the time being, can't hold group events and do a lot of in-person networking, we do still offer opportunities for our members to get involved in various ways. We have committees set up right now that could use your help if you'd like to get involved with the Big Creek Run or perhaps advise us on our technology options. Who knows who you might meet!

Lastly, look for our first regular monthly members meeting to take place on February 4th, via zoom. You will be receiving an invitation to the meeting in your email shortly. We look forward to seeing you there!

All The Best,

- Tim Noe
