Youth Court Roundtable: *An Alternative Approach to Juvenile Justice*

Tuesday, May 7, 2019

10:30 am – 3:00 pm

**McConnell Foundation Lema Ranch
800 Shasta View Drive, Redding, CA**

#JusticeByYouthForYouth

Youth court uses positive peer pressure to ensure that youth who commit a minor offense give back to their community and are given the resources and help they need to avoid any further involvement in the justice system. The youth court model gives youth an opportunity to acquire practical experience in the juvenile justice system. Youth gain a better understanding of their rights, justice and the law, and are empowered to make better decisions in their daily lives.

If you are interested in learning more about youth courts or would like to start a youth court in your county, join us for this one-day training.

Register here: [Shasta County Roundtable](#)

~~~~~

There is a \$50 registration fee to attend the roundtable. Education credits (STC and MCLE) for licensed attorneys and probation officers are available. Lunch and materials are included with your registration.
