

"Dogtober" Rolls Around Again!

October is officially recognized nationally as "Adopt A Shelter Dog" month.

We wrote about this last year and feel that we should remind you every year of this important event. There are several ways to get involved in the dog community this month such as:

- Adopt or foster a dog
- Attend local events such as Halloween costume contests;
- Volunteer - offer your time to walk shelter dogs;
- Support local shelters by donating supplies, blankets and/or towels, and of course monetary donations are always needed.

Needless to say we here at Shih Tzu Rescue welcome any and all donations and help!

Many thanks from all of the dogs at the shelter waiting for their forever homes:
